Yearbook Staff

Dear Class of 2017,

We entered the high school being known as the biggest class to walk through RMHS's hallways in a long time, but over the past few years we as a class have left a mark on RMHS. Through many sports teams victories, amazing plays with future actors and actresses, Golden Key artists, and many diligent students, we leave RMHS as a tough act to follow.

In the following pages you will see the memories that occurred during our senior year. We hope that as you flip through you smile, laugh, and maybe even cringe at the pictures. Whether you show this yearbook to your future roommate or children, or it stays forever on a bookshelf, we hope that it encapsulates your final year at RMHS.

We would like to thank all of our staff for their hard work, Mrs. Festa for her guidance, and Tom Keeley and Mrs. Donahue for their help with forming and editing the yearbook.

Thank you,
Your Yearbook Editors
Erin Hamlin, Molly Skinner, & Elizabeth Berry

Dear class of 2017,

Congratulations on your high school diploma!

It has been a pleasure and an honor to be the yearbook advisor for this year's edition of the Pioneer. The making of a yearbook is very much like the high school experience itself: it requires a big commitment, a lot of work, a certain level of stress (especially around deadlines) periods of doubt and concern but it eventually leads to the satisfaction of holding a book that one year ago only existed in dreams. I am sure that you had the same feeling of satisfaction and fulfillment when you received your diploma. It gave a purpose to the countless hours spent reading, writing, studying, practicing, rehearsing etc. While the days often feel long and never-ending, I am sure that you will agree with me that those four years have flown by. Dr Seuss wrote that "sometimes you will never know the value of a moment until it becomes a memory".

In a world in which hashtags change from one day to the next and fame is as fleeting as an Internet fad, I am glad that yearbooks are still around as keepsakes. As a teacher, I have kept all of the yearbooks of the years I taught at RMHS and I enjoy looking at them and remembering students that I have taught and from which I have learned so much. While I didn't have to chance to know every single one of you, the class of 2017 is full of students that I will remember with great fondness. I wish all of you the best of luck in the future. I hope that you have big dreams because if memories remind us of who we are and what we've been through, it is our dreams that keep us moving forward.

So wherever you are right now as you are reading this - whether you are opening this book for the first time, sharing it with your children or looking back on your high school years decades from now; now that your high school experience has become a memory, I hope that what you will find in this yearbook reminds you of the value of each moment.

Sincerely,

Emeline Festa

Reading Public Schools

Instilling a joy of learning and inspiring the innovative leaders of tomorrow

Dear Reading Memorial High School Class of 2017,

Congratulations on successfully completing your graduation requirements at Reading Memorial High School! You should be very proud of what you have accomplished during your time in the Reading Public Schools. I have had the opportunity to attend many of your events and observe many of your learning experiences during your four years here at Reading Memorial High School. Your accomplishments in academics, the fine and performing arts, extra-curricular activities, community service, and athletics are noteworthy and should be celebrated. You have been role models for your peers and have surpassed the bar that has been set by your teachers, advisors, coaches, and parents. It has been an honor and a privilege to be the Superintendent of Schools for such an outstanding group of young men and young women.

The entrepreneur Walt Disney once said, "We keep moving forward, opening new doors and doing new things, because we are curious, and curiosity keeps leading us down new paths." You will have some amazing opportunities along the different paths that you will take on life's journey, each with its own unique set of curiosities, challenges, experiences, and opportunities. No matter which path you choose, I encourage each of you to follow your dreams and bring them to life through imagination and hard work...no matter how impossible they may seem.

On behalf of the Reading School Committee, the administration and staff of the Reading Public Schools, I congratulate you on completing your education here in Reading and wish you a healthy, happy and successful future.

Sincerely,

John F. Doherty, Ed.D.

Dear Members of the Class of 2017:

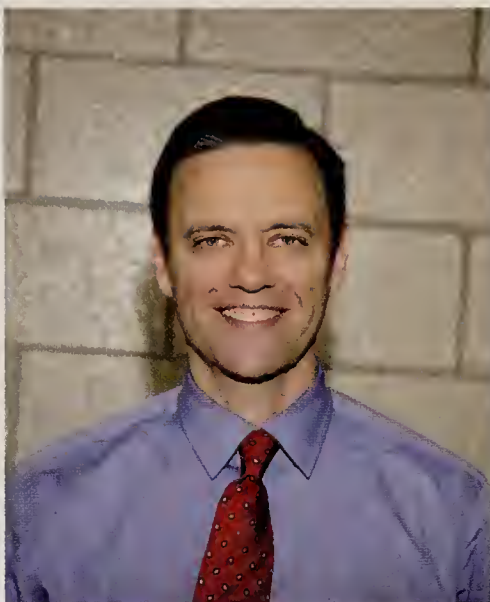

In my twenty-one years working in high school education, certain graduating classes stand out in my mind more than others. You, the Reading Memorial High School class of 2017, will no doubt be one of those classes. You are the first class I have ever guided as an administrator, and your class may well be the last graduating class that includes students who also remember me as their English teacher. It has been an honor serving you in both roles.

By now you are probably accustomed to being asked, "Where are you going next year?" Given that you are closing out your time in the Reading Public Schools, this question makes a lot of sense. However, please know that *where* you are going is far less important than what you will do when you get there. Whether the next phase in your life takes you far away or keeps you close to home is insignificant. If you take on whatever lies in front of you with enthusiasm, a strong work ethic, and courage, you will undoubtedly experience a great sense of accomplishment and satisfaction. May that be the enduring lesson of your time at RMHS!

I am so proud of all that you've accomplished in your years at RMHS, and I'm so inspired by the thought of all that you will contribute to the world in the days and years ahead. I wish you the very best!

Sincerely,

Mr. McSweeney

Spring 2017

Dear Graduates of the Class of 2017,

Although I have only been here for a short time, witnessing your many talents and accomplishments has been a privilege. Your outstanding drama and band performances, achievements in sports, and your dedication to clubs and charities have been admirable.

I hope you look back fondly on your years here at RMHS and take pride in your accomplishments, cherish your friendships and the people who may have helped you along the way. The bad news about looking back is that it makes you realize how quickly time flies. The good news is you're the pilot. Go out and make your mark on the world and never forget where you came from. Wishing you a bright future, class of 2017.

Respectfully,

We dedicate this year's yearbook to ...

Mrs. Tenedios was a history teacher at RMHS. She taught a variety of courses in the history department; no matter the topic, all of her students enjoyed her class. She was a wonderful teacher and students could always ask her questions after class. One student said that "her passion for history made me enjoy history more." Mrs. Tenedios retired in the fall and we will miss her at the high school in years to come.

We would like to thank Mrs. Tenedios for her hardwork and devotion to the history department at RMHS, as well as towards her students. Her warm and generous presence will be missed.

Mrs. Fitzpatrick was a math teacher at RMHS. She taught a variety of courses ranging from geometry to pre-calculus. She was an enthusiastic and generous person and teacher. Her presence in the math department and the high school will be missed.

We want to dedicate this year's yearbook to Mrs. Fitzpatrick because of her devotion to teaching complicated math class of all levels and always helping students after school if they did not understand the material in class.

Mrs. Ferranti was a business teacher at RMHS. She taught a variety of courses in this department, but her focus was in computer science. Her classes and style of teaching helped students understand the complexities of the business field, as well as discover new applications on the computer. Her presence in the business department, as well as the hallways throughout RMHS will be missed.

We would like to thank Mrs. Ferranti for her devotion to teaching business to all RMHS students and hope the best for her in her future endeavors!

Mrs. Dee was the technology integration teacher at RMHS, as well as a teacher of several math courses. Her presence in the library was crucial: if computers and laptops were down in the library she was always working hard to figure out what the problem is and solve it. She was always there to help students be able to access their Edline and now Plusportals accounts. She was also a great help to teachers when they tried to integrate technology in their classes. Her help and devotion to the technology and math departments at RMHS will be greatly missed.

We would like to dedicate this year's yearbook to Mrs. Dee for her helpful and devoted personality and important presence in the library.

At the end of this year, Mrs. Graham and Mrs. Thomases will be retiring. Their presence at RMHS will be greatly missed.

Mrs. Graham was a wellness teacher at RMHS. She always greeted her classes with a warm smile, ready to motivate her students to be active. Along with the other wellness teachers, she lead large classes with ease. Her students often looked forward to her units about yoga and pilates. Her presence in the field house and in RMHS will be greatly missed.

We would like to thank Mrs. Graham for her devotion to the wellness program at RMHS, always helping students become excited about being active and healthy and we hope that she has a wonderful retirement!

Mrs. Thomases was a special education teacher at RMHS. Her devotion to helping students with their studies is admirable.

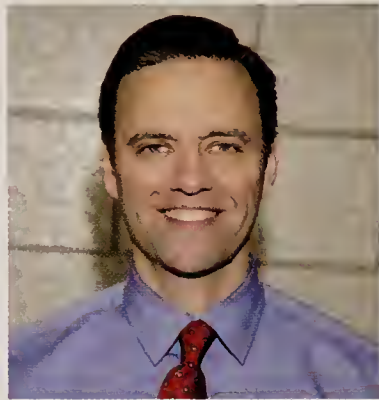

We would like to devote this year's yearbook to Mrs. Thomases due to her warm and generous personality, and passion for her helping students work hard and learn to the best of their abilities. Mrs Thomases, your commitment to helping every student learn will be greatly missed! We wish you the best in retirement!

In the four years I've been here I'd have
to say the most important thing I've
learned is that no matter how much you
don't like the situation you've been put
into, it doesn't last forever, and when it
finally does end it's the most amazing
feeling. That being said I'll probably
never see the larger majority of any of
you again after this, and yes, it feels
amazing.

Awards

This year, the marching band came in third place in Division 3 of the New England Scholastic Band Association.

The Wedding Singer

The Drama club "Sweat to the Oldies" this fall season with Richard Simmons and the rest of the 1980's. In a show full of bright colors, electric dance moves, and songs that top the charts they captured the essence of Adam Sandler's classic movie "The Wedding Singer."

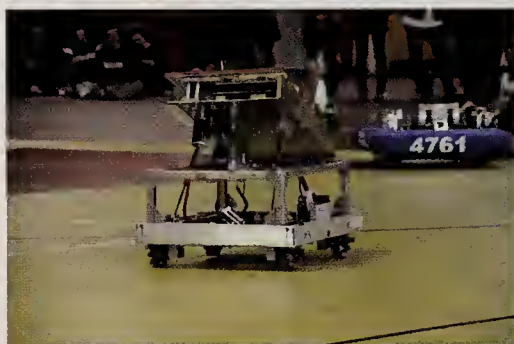

Pictured Above: the whole company. Without both the cast and crew working as a team, this show would not have been nearly as successful!

President: Matt Miller
 Vice President: Matt Baynes
 Secretary: Juliana Ryan
 Treasurer: Travis Giragosian

Pep Rally

RMHS had its annual Pep Rally the day before Thanksgiving. Hosted by Seniors Ryan Melley and Peter Squeglia, the event was complete with performances by the marching band, chorus, color guard, cheerleaders, senior class office, and the Robockets newest t-shirt launching robot. There was the traditional tug-of-war, pie eating contest, Hungry Hungry Hippo, and Senior Mosh Pit.

Powder Puff

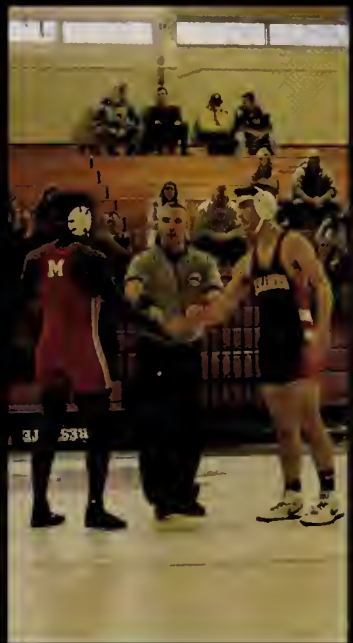

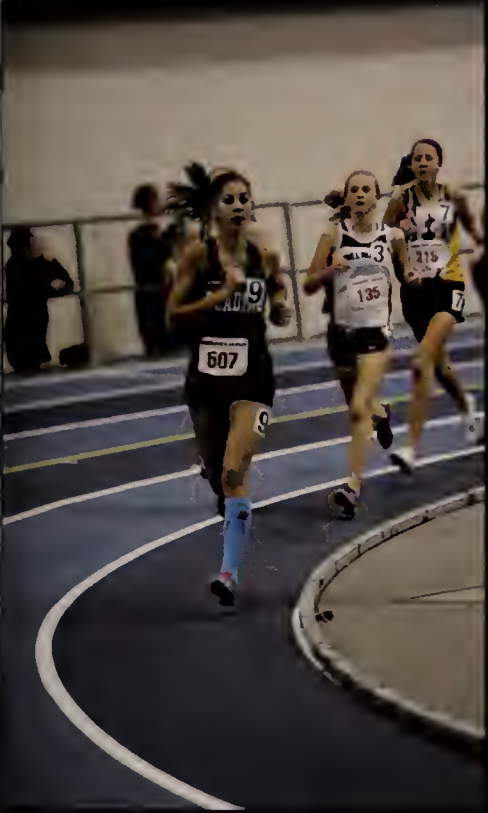

On a chilly November night, the senior girls took on the junior girls in the annual Powder Puff game. The senior girls won of course, but the night was filled with fun, laughter, and frozen fingers.

Spanish Exchange

This year, students enrolled in Spanish at RMHS went to Madrid for one week and then traveled around Spain for a second week. They enjoyed the amazing views, cities, and food! This trip allowed all of the students to experience first hand the culture they have been studying in their courses.
